  - > Various party packages available
  - > Home cooked food and welcoming domestic staff
  - > Competitive pricing with discounted prices for Derbyshire residents
  - > Groups revisit us time and time again due to our professionalism, flexibility and results achieved from programmes of activities

## How Lea Green centre can support you

**We are specialists in outdoor adventurous activities and group accommodation options**

### **For schools and academies**

High quality outdoor education can stimulate and inspire, foster independence, aid personal and social development, and can often motivate reluctant learners.

Lea Green Centre offers a range of environments where children and young adults can re-energise their appetite to learn.

### **For businesses and organisations**

We have years of experience in helping people to develop their workplace skills, such as leadership, communication, delegation, team work and initiative. Our team building activities are tailored to your workplace needs, desired outcomes and your budget. Activities can be incorporated into a training or away day as we have meeting and conference facilities available.

### **For groups**

The outdoor environment can be a very powerful tool, and through different activities and experiences we can help people develop their health and fitness, confidence, social and communication skills and team work.

### **For fun!**

We run a range of activity days and events throughout the year including school holiday adventure days and festivals. You can book a soft play party as well as an outdoor adventure party and we even take bookings for 'bigger kids' too including special birthdays or family events.

### **Group Accommodation**

Options include: camping, glamping, accessible accommodation and private hire of the Centre.

## Activities tailored for you and your group

**Lea Green Centre offers a wide variety of environments and different approaches to learning and development, which are tailored according to the needs of your group**

From your initial enquiry to waving goodbye, you will see that a visit to us is unique.

We consider the age, ability and size of your group, and the outcomes and developments you would like to achieve during your time here.

We offer a wide range of outdoor and indoor activities within the grounds and in the surrounding countryside, with residential and non-residential course options.

Friendly, knowledgeable and experienced staff, excellent accommodation, fabulous food and a beautiful location make for an exciting trip for all!

### **Activities include:**

- › 3G team swing
- › Abseiling
- › Archery
- › Adaptable buggies and accessible bikes
- › Bushcraft and shelter building
- › Canoeing
- › Climbing tower
- › GPS navigation
- › High and low ropes courses
- › Orienteering
- › Problem solving
- › Rock climbing
- › Skyline accessible high ropes course
- › Stream walking
- › Wheelchair Abseiling

“Great programme that suited the group we had, many achieved much more than we thought that they would. Very active programme, always doing something. Good mix of activities, something for everyone.”

**Netherseal St Peters CE Primary**
