Who can stay at Meadow Lodge?

Meadow Lodge has been designed to accommodate anyone with additional needs, their families, carers and friends.

Families

Meadow Lodge is the perfect place to come as a family for a holiday or short break. Located on the edge of the Peak District near Matlock, there is plenty to see and do in the surrounding area.

Carers

Meadow Lodge is a popular option for carers providing respite. We find daily use and one or two night stays are very popular.

Schools and groups

Youth and community groups, special schools, or mainstream schools with pupils who have additional needs find Meadow Lodge is a breath of fresh air.

Get active at Meadow Lodge

Meadow Lodge customers can also take advantage of activities provided at Lea Green Learning and Development Centre.

Many of the activities are fully accessible, so a spot of abseiling or buggy riding could be in store if you're feeling adventurous, or you might want to make use of the ball pool or archery facilities.

Booking

Meadow Lodge can be booked by the room on a fully-catered basis, or you can use the whole bungalow and self-cater using the modern kitchen.

Prices start from £45 per person per night fully catered, or Meadow Lodge can be booked for up to 15 people self catering from £250 per night, with discounts for Derbyshire residents (prices exclude any Lea Green activities).
