Hello!

We are really looking forward to your visit to Lea Green. Whether you are climbing over the challenge course, practising your bow skills, putting on a harness and helmet for the ropes courses or exploring the grounds around the house you are guaranteed to find out that learning can be fun!

Aims:

- To improve independence and self sufficiency
- To improve teamwork in different sized groups
- To be responsible for my own safety and the safety of others.
- To enjoy myself and have lots of fun!!!!

Your stay at Lea Green will give you a chance to experience and enjoy a wide range of activities; to learn more about staying safe and managing risk; and make a positive contribution to your group.

To get the most out of your stay you need to put a lot into them. Bring your sense of adventure with you!
